

TRADEMARK APPLICATION WORKSHEET

To better enable us to assist you in obtaining a trademark registration, please answer the following questions. The detail of information provided to these questions can prevent costly modifications later. Please mail (and optionally email) the completed worksheet to our offices.

1. CLIENT INFORMATION

You may apply for a registration of a trademark as an individual, a corporation, or a partnership. Trademark ownership can be transferred in the future from one entity to another by an assignment. However, the named applicant must be ***an existing entity***. For example, if you are an individual planning on starting a company, you must list yourself as an individual applicant and your rights in the trademark can be later assigned to your corporation once it is formed. Similarly, if your company is going through a restructuring/renaming process, the applicant to be named is the currently existing company.
